

“I hope you are able to sense the Holy Spirit of God working in our people and in our worship. As the pastor of Living Hope, there are two things that are key to me. First and foremost, I want every person to know they are welcome to worship here. God accepts you just the way you are and so will we. Secondly, no matter what your past experiences are, God can redeem them. Come as you are and start in your relationship with Jesus, or start over in your experience with Christ and His church.

Come see that we are authentic.“
